Institution: Messenger College (417752)

User ID: P4177521

### Overview

#### Outcome Measures Overview

Welcome to the IPEDS Outcome Measures (OM) survey component. The OM component collects award and enrollment data from degree-granting institutions on four undergraduate cohorts and eight undergraduate subcohorts at three status points: four-years, six-years, and eight-years after entry.

The four cohorts of degree/certificate-seeking undergraduates are:

- First-time, full-time entering (FTFT)
- First-time, part-time entering (FTPT)
- Non-first-time, full-time entering (NFTFT)
- Non-first-time, part-time entering (NFTPT)

For each cohort, two subcohort groups have been added to the OM component - Pell Grant recipients and Non-Pell Grant recipients - resulting in eight undergraduate subcohorts.

#### Data Reporting Reminders:

- Report data to accurately reflect the time period corresponding with the IPEDS survey component, even if such reporting is seemingly inconsistent with prior-year reporting.
- All institutions must report on a FULL-YEAR cohort. The OM cohort year is 2015-16. The full-year cohort coverage period is July 1, 2015 - June 30, 2016.
- Institutions will establish their OM cohorts based on their subcohorts of entering Pell Grant recipients and Non-Pell Grant recipients. Institutions should first identify their entering degree/certificate-seeking undergraduates during the cohort coverage period of July 1, 2015 - June 30, 2016, and place each student in the appropriate subcohort. Each student should be reported only once.
- All institutions are required to report transfer-out student data.
- For each status point, institutions will report the highest type of award conferred to a student for each subcohort. The three award categories are certificates, Associate's degree, and Bachelor's degree.
- Institutions should report exclusions for the entire eight year period only on the "Establishing Cohorts" screen. Additional exclusions cannot be reported on the status point screens (i.e., four-years, six-years, or eight-years after entry).
- IPEDS will ask for an estimated time it took to complete the OM component. Include in that estimate the time to review instructions, research data sources (i.e., coordinate with IT and Student Aid offices), complete and review the component, and submit the data.

#### Changes to reporting:

The following changes were implemented for the 2023-24 data collection period:

- Added FAQ regarding inclusion of incarcerated students
- Added FAQ regarding reporting degree/certificate-seeking status changes
- Added FAQ on consistency between awards reported in the Outcome Measures and Completions survey components
- Revised FAQ regarding experimental site participants

#### Important Dates to Remember:

All reporting institutions will report on degree/certificate-seeking undergraduates who entered the 2015-16 cohort year: **(July 1, 2015-June 30, 2016)**.

- Four-year status point was as of **August 31, 2019**
- Six-year status point was as of **August 31, 2021**
- Eight-year status point was as of **August 31, 2023**

#### Reporting Tips

Carefully read each [OM FAQ](#) before reporting your institution's data.

Establishing Cohorts

**2015-16 Entering Undergraduate Cohort**

July 1, 2015-June 30, 2016: Full Year

- Begin by identifying your entering degree/certificate-seeking undergraduates for the full year of July 1, 2015 - June 30, 2016.
- Then report each student under one of the eight subcohorts (Pell or Non-Pell Grant recipients FTFT, FTPT, NFTFT, NFTPT).
- Each entering student should be reported only once.
- The four cohorts and total entering students will be calculated based on your subcohort reporting.

NOTE: Once a student is in the cohort, the student remains in the cohort, even if the student's attendance status changes (i.e., full-time to part-time, or vice versa) or if the student drops out, transfers out, or transfers back into the institution during the eight-year period. However, institutions can make adjustments to the cohort for allowable exclusions, which include the death of a student, total and permanent disability, military deployment, or service on an official church mission or with a foreign aid service of the Federal government. Exclusions are for the ENTIRE eight years for the entering 2015-16 cohort.

Award and Enrollment Status at Eight Years

**Award and Enrollment Status at Eight Years After Entry: 2015-16 Entering Undergraduate Cohort**

(July 1, 2015-June 30, 2016: Full Year)

- From the adjusted 2015-16 cohort, report the number of students who earned an award at eight years after entry for each subcohort.
- Report the highest award earned for each degree/certificate-seeking student for the eight-year status point (August 31, 2023) even if a student earns multiple awards.
- For students who did not receive an award from your institution, first report the number of students who are still enrolled at your institution, and then report the number of students who had enrolled at another institution over the eight-year period.

Note: Subsequent enrollment should be tracked for the entire period of eight years after entry.

Summary

**Outcome Measures Component Summary**

The purpose of this summary is to provide you an opportunity to view some of the data that, when accepted through the IPEDS quality control process, will appear on the [College Navigator](#) website and/or your institution's Data Feedback Report (DFR). In addition, all data reported in IPEDS survey components become publicly available through the [IPEDS Use the Data](#) and appear as aggregated statistics in various Department of Education reports. [College Navigator](#) is updated approximately three months after the data collection period closes and DFRs will be available through the [IPEDS Use the Data](#) and sent to your institution's CEO at the end of 2024.

Please review your data for accuracy. If you have questions about the data displayed below or after reviewing the data reported on the survey screens, please contact the IPEDS Help Desk at: 1-877-225-2568 or [ipedshelp@rti.org](mailto:ipedshelp@rti.org).
